OUR FINANCIAL POLICY

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. The following is a statement of our financial policy. An important part of keeping our services accessible is having our clients follow through with their financial obligations. Please read this policy carefully prior to agreeing to treatment.

Full Payment for fees or co-pays is due at the time of service. Fees may be paid with cash, check, or credit card. All outstanding balances are the responsibility of the client, regardless of whether or not insurance covers the services.

Client/Responsible Party Initials: _____

Insurance Coverage - Insurance coverage is a contract between the insurance company and the covered person. Providers of health care are NOT a part of the contract. Instead, healthcare providers accept the assignment of benefits. This assignment can only happen with a client's signed authorization. Further, if the insurance company requires a referral, the client must obtain the referral prior to receipt of any care. Fees not covered by insurance after 120 days become the responsibility of the client. **Clients or their responsible parties are responsible for providing Headway with accurate insurance information and for promptly alerting Headway to any changes in coverage.** Failure to do so can cause billing inaccuracies that result in full payment responsibility to the client. Client/Responsible Party Initials: _____

Medicare and Medical Assistance - We are an authorized provider for Medicare and Medical Assistance and accept assignment of benefits. Eligibility for Medical Assistance is verified each month. Please have your Medical Assistance card available to assist us in verifying this coverage. Client/Responsible Party Initials: _____

Reduced Fees - As a non-profit community mental health provider, we may be able to reduce fees in certain circumstances. Please speak with a billing representative to negotiate a payment plan or if a reduced fee is needed. **Clients who qualify for reduced fees are still responsible for paying the agreed upon fee.** Client/Responsible Party Initials: _____

Missed Appointments - A 24-hour notice for cancellations is required. This enables us to arrange care for another client. Failure to cancel **24-hours ahead** of a scheduled appointment will **automatically** result in charges regardless of reason. Your treatment provider will not be able to prevent or reverse charges for missed appointments. If you feel you have been charged in error, please request to speak with a billing representative.

32% of the Full Fee for an appointment will be charged for a missed appointment due to a late cancellation.
PLEASE NOTE: Failure to attend a group is an automatic charge, regardless of notice. This is because another client cannot fill the vacancy of an absent group member.

If you have any questions regarding our fees and your financial obligations, please contact our billing department voicemail box at 952-582-6691.

My signature below is authorization for the release of any medical information necessary to process the claim for benefits. Any release of medical information is understood to follow the standards set by HIPAA and the Data Privacy Act. I authorize payment of all benefits directly to Headway Emotional Health. **I acknowledge that I have read, understand and agree to the above Financial Policy.**

NOTICE TO CLIENTS
Supervision Notice

The Minnesota State Department of Human Services, BlueCross & BlueShield as well as United Behavioral Health/Medica all have a supervision requirement to which we must alert you.

Until a therapist has his or her own billing number, or until a therapist has an *independent* license to practice, he or she must be supervised by a therapist who is enrolled in the insurance plan for which you are covered.

If a therapist being supervised relevant to this rule provides your care, we must inform you and have you acknowledge with your signature that you have been so advised.

Headway Emotional Health believes in the importance of furthering the profession of Social Workers, Psychologists and/or Marriage and Family Therapists. We provide highly supervised internships that meet the requirements of the state, the professional licensing boards, as well as the standards set by your insurance company.

*Know that Headway Emotional Health hires **only** therapists who are licensed by the State of Minnesota to provide therapy. Having a State License means your therapist holds a Master's Degree. Further, he or she completed over 2,000 hours of supervised clinical experience just to be eligible to take the state licensing exam. Headway hires therapists who have many years of experience well after they have passed their state licensing exam. You can feel assured that the therapist to whom you are assigned is highly competent and is an approved provider for many other insurance companies. Both their licensure and experience make them eligible to participate in this new agreement.*

I have been advised of this supervisory arrangement and acknowledge being informed by my signature below.
